

PS/2 to USB Adapter Cable

Part No.: 70511

Description

- 6 Pin Mini DIN Female to USB Type A Male
- Compatible with LINDY "U" Series KVM Switches
- Moulded construction
- Length: 10cm

Technical details

This PS/2 to USB adapter cable allows modern PCs, which do not have PS/2 ports, to be connected to LINDY 'U' Series modular KVM switches. In use it connects to the KVM cable's PS/2 keyboard connector and then plugs into the PC's USB port.
