

Cat.6A U/FTP Flat Patch Cable, black, 2m
Part No.: 47482

Description

- RJ45 connector with kink protection and strain-relief
- Ribbon cable
- Shielded
- 10/100/1000 Base-T support
- Wiring: 1:1
- Colour: black
- 10 year warranty

Ribbon patch cables are extremely flexible and thin cables for special purposes. Thanks to their extremely thin shape, these cables can be installed underneath carpets, laminate/parquet or between skirting boards and wall. Doors and windows remain fully functional even after a cable has been laid.
