

2-Port USB-A & USB-C Wall Outlet with Faceplate

Two USB Charging Ports (Type-A and Type-C), 5 V / 2.1 A Output, 80 x 80 European Faceplate

Part No.: 772198

The Intellinet Network Solutions 2-Port USB-A & USB-C Wall Outlet with Faceplate lets you directly charge up to two portable electronic devices, such as phones and tablets, using only USB-A- or USB-C-compatible cables. Since no adapter is required, unsightly " wall warts" of chargers and their connected cables become a thing of the past. Enjoy a sleek, clean charging setup that helps keep countertops, tables and workspaces neat and tidy. The Intellinet Network Solutions 2-Port USB-A & USB-C Wall Outlet with Faceplate is sure to simplify how you power up your devices, so they're ready to go when you are.
