

India-Israel-Denmark to Europe

For 2- and 3-pole devices from India, Israel and Denmark

The Schuko standard socket is used in more than 100 countries around the world but predominantly in Europe. Our SKROSS® Country Adapter India-Israel-Denmark to Europe provides a reliable and easy connection for devices from any of these countries to use this type of socket, safely enabling the use of power hungry devices such as laptops and hairdryers.
