The Weidmüller range of conductor and cable marker products provides users with solutions for a wide variety of applications. The field of application ranges from thin conductors to cables with large outside diameters. The product range includes combination systems with individual tags, transparent sleeves and markers which can be fastened with cable ties.

Open and closed markers, as well as printed or blank markers for individual labelling are available. Weidmüller's halogen-free and low-emission conductor markers are in compliance with European standards as well as with the in-house standards of well-known plant manufacturers.

Markers for conductors and cables - Systems are available for:

- Clipping on pre-printed markers to suit individual labelling requirements
- Labelling with characters from a standard character set
- Combining individual, pre-printed characters to form a character code
- Customer labelling with SMark laser, PrintJet, MCP Plus plotter, MC-Mobilo, laser printer (DIN A4 format), thermal transfer printer or STI pen

A selection of samples can be found in the Weidmüller conductor marker sample bag, order No. 1640420000.

General ordering data

Type	THM ET DIA 55 WS
Order No.	2539400000
Version	Conductor and cable markers, white
GTIN (EAN)	4050118570168
Qty.	1,000 pc(s).
