- High quality, highly flexible cable with low profile, gold plated connectors
- Colour: Anthracite
- RoHS/REACH compliant; PVC and halogen free design
- 10 year warranty

The LINDY CROMO Audio Cable is a high quality, flexible cable, ideal for use with hi-fi and audio equipment. It provides premium quality cable construction at an affordable price and features 24K gold plated contacts for optimum conductive ability and resistance to tarnishing and corrosion.

PVC and Halogen free design: These cables are made using Thermoplastic Elastomers (TPE) for the jacket and nylon insulation for the inner conductors. They are completely PVC and halogen free in line with future EU directives which aim to limit the use of PVC and the toxic additives contained in typical cable designs.
