## Appendix 8: General Product Marking

### CE Logo

Products under CE regulation must show the original CE logo on the surface of the product. The logo can be printed, engraved or embossed. A sticker is only allowed if it is firmly glued to the surface and not replaceable. Minimum height is 5mm.

### WEEE Symbol

All products with electronic components must show the original WEEE symbol on the surface of the product. The symbol can be printed, engraved or embossed. A sticker is only allowed if it is firmly glued to the surface and not replaceable. Minimum height is 7mm.
