

High Power USB Desktop Charging Hub With LED Night Light

4 USB Charging Ports • Energy Efficient Design • Overcharging and Short Circuit Protection

NIGHTLIGHT AND CHARGING SOLUTION

Plug In Options

- Smartphone & Tablet Charging
- Ultra-Portable
- Automatic Voltage Regulation
- Overload Protection
- Safe & Reliable
- Night Light

ChargeLite-4, a 4400mA USB charging power station allows you to charge up to 4 USB powered devices simultaneously. It also features an intelligent multiple safety function to provide optimum protection from over-current, over-voltage, short-circuit and over-temperature. This white LED nightlight can illuminate any dark space in your home or office. ChargeLite-4 is the ultimate solution to power your devices easily and simultaneously.
