Hugo-Kirchberg-Strasse 1
D-22848 Norderstedt
Germany
TEL.: +49 40 88899-0

Informing department: tesa SE, Corporate Regulatory Affairs
msds@tesa.com

Safety information for articles

The bad accessories manufactured by tesa are articles within the meaning of the REACH Regulation (EC) No. 1907/2006. There is no legal obligation to provide a safety data sheet for an article. The comprehensive information typically found in a safety data sheet can be found in our safety information sheets. For the separate safety data sheets are available.

We expressly point out that these information sheets are voluntary data sheets that are not subject to the requirements of the REACH regulation.

Separate safety data sheets are available and valid for the enclosed adhesive and the preparation tissue (only enclosed in some bad accessories).

Hazard identification

Not applicable
