### Quiet operation

The quiet operating mode minimises noise development at the workplace which is an important consideration for your staff.

### Automatic start/stop

The operation is very easy: the device starts automatically when fed paper and automatically stops after shredding is complete.

### Filling level indication

The filling level of the waste container can be seen at all times through the inspection window (expect HSM shredstar S5).

### Effortless emptying

To empty the waste container, the housing top can be easily removed.
