

PRO Light 3xUSB – World

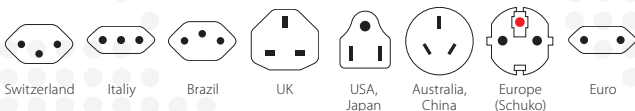

Powerful 3-pole adapter with 3 integrated USB ports

The PRO Light 3xUSB – World ensures simple and safe connection of 2- & 3-pole devices from and to more than 200 countries (thanks to the included World to Europe USB top). It is able to handle up to 1575 W of power, so it can be used even with powerful devices such as laptops or travel hair dryers. Wherever the traveller comes from, this world travel adapter provides the safest solution of plugging in devices around the world. Furthermore the 3 USB ports provide sufficient energy to charge 3 USB devices easily, even if another device is connected via the adapter at the same time.
