Ranger IQ

All-connected AI Gateway Camera

With 1080P Full HD live monitoring and pan & tilt feature, Ranger IQ ensures every corner of your home completely covered. With Sony Starlight sensor it can see color streaming clearly even when it is getting dark. Human Detection quickly finds human targets in the images and send you accurate alerts. With Airfly it can work as center of a smart alarm system, and automatically pan & tilt to watch what really matters.

H.265 1080P Full HD

See more than 720P

Human Detection

Quickly finds human targets in your home

Human Motion Tracking

Automatically tracks moving human targets

Privacy Mask

Hide the lens to protect your personal privacy
