X5 shredder

DA-81606
EAN 4016032459811

The X5 shredder offers high security for your personal documents - ideal for use at home, in the home office or office.

Shredding capacity: 5 sheets in one operation for optimal and fast data destruction

Clear function: Cleaning of the shredding mechanism

Description

The X5 shredder easily destroys any kind of documents in a simple way. The device shreds up to 5 sheets into 4 x 40 mm small pieces. Destroy sensitive information in no time. The automatic start/stop function ensures comfortable handling without switching the device on and off. The shredding process starts automatically in automatic mode when sheets are fed. The shredding unit can be easily removed using the integrated handle. Thanks to the integrated sight glass, you can see the filling level of the shredder without having to remove the shredding unit.
