## SPIRIT LEVEL BALANCE CHECKER LIGHT

The Oehlbach Libelle helps all vinyl lovers to precisely adjust their turntable for optimal sound. Our vial is a high-precision spirit level that reliably indicates the vertical alignment of a turntable on two axes. This vial is much more than an ordinary spirit level. Oehlbach has specially adapted it for use with a record player: it is light, has a finely tuned display and is very easy to use. For maximum vinyl listening pleasure, the small, round Oehlbach vial should not be missing from any record collection.

Packaging size	25.00mm / 140.00mm / 225.00mm
diameter	60 mm mm
Colour	Silver
Weight (net)	60 g
Article height	9,6 mm

item no.	Color	EAN
2616	Silver	4003635026168
