

Profile Half Cylinder Swinghandle, Lock and Adapter

Abstract

Profile Half Cylinder Swinghandle, Lock and Adapter

Features

- Swinghandle (DN-19 PHS-HC) suitable for all DIGITUS cabinet series (Unique, Dynamic Basic, varioFLEX)
- Material Profile Half Cylinder: Nickel-plated brass
- Material Swinghandle: Polyamid GF
- Material Adapter: Polyamid

Product Overview

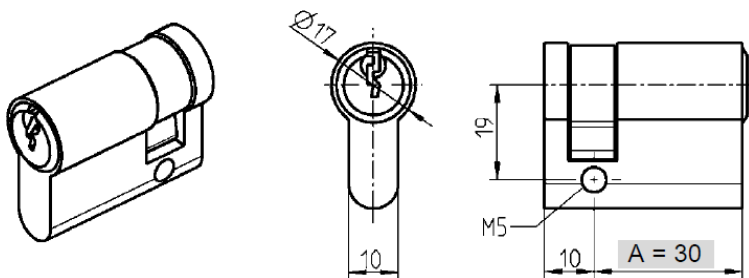

The swing handle is equipped with a profile half-cylinder (Lock 9473). It is equipped with a sliding dust protection. Thanks to the integrated adapted for profile half-cylinders, it can be replaced with a personalised lock if necessary. The profile half-cylinder is suitable in accordance with DIN 18 252 (EN 1303) for use in swing handles for network and server cabinets from the DIGITUS Unique series. The scope of delivery includes a key (Type 9473).
