

# USER MANUAL

**CD-Radio with  
CD / Cassette / FM / AUX-IN**

**Model Nr.: RCR2260**

Read the entire instructions for the device carefully before using the product. Keep these for future use.

# IMPORTANT NOTES

---

## INTRODUCTION

- Thank you for buying this product.
- Please read through these operating instructions, so you will know how to operate your equipment properly. After you finished reading the instructions manual, put it in a safe place for future reference.

## CAUTION

Use of controls or adjustment or performance of procedures other than those specified herein may result in hazardous radiation exposure.

## DANGER

This Compact disc player is classified as a Class 1 LASER PRODUCT. THE CLASS 1 LASER PRODUCT label is located on the rear exterior.

**NOTE:** The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications.

- Avoid installing the unit in locations described below:
  1. Places exposed to direct sunlight or close to heat radiating appliances such as electric heaters, or other equipments that radiate too much heat.
  2. Places subjected to constant vibration.
  3. Unventilated or dusty places.
  4. Humid or moist places.
- Operate buttons and switches as instructed in the manual.
- Before turning on the power for the first time, make sure that the power cord is properly installed and the voltage switch is correctly set.
- Store your CD or other devices in a cool area to avoid damage from heat.

**CAUTION:** TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). DO NOT OPEN THE UNIT. ANY SERVICING PLEASE REFER TO QUALIFIED SERVICE PERSONNEL.

## WARNING:

- Remove batteries if exhausted or if they will not be used for a long period.
- The incorrect use of batteries can cause electrolyte leakage and will corrode the compartment or cause the batteries to burst. Therefore:
- Do not mix battery types, e.g. alkaline with zinc carbonate.
- When inserting new batteries, replace all batteries at the same time.

## POWER SOURCE

This unit is designed to be operated on AC/DC.

## AC OPERATION

Plug the tail of AC power cord into AC socket on unit and the plug into household AC outlet. The batteries will be automatically disconnected.

## DC OPERATION

Open the BATTERY COMPARTMENT DOOR. Install 6 pcs UM-2/C size batteries (not included) into compartment. Please follow correct polarities as indicated.

## CAUTION

Remove batteries if they are flat or not being used for a long period of time.  
Batteries contain chemical substances, so they should be disposed of properly.

## BASIC FUNCTIONS

### TURNING THE UNIT ON/OFF

Press the /FUNC. button to turn the unit on, press and hold the /FUNC. button to turn the unit off.

**Note:** In AUX/CD /TAPE mode, when the unit is not providing the main function for 15 minutes, the unit will automatically switch into standby mode. Press the /FUNC. button to turn on the unit again.

Please note that low volume setting in the audio source may be recognized as "no audio signal", this will affect the capability of signal detection from the device and can also originate an automatic switch into standby mode. If this happens please reactive the audio signal transmission or increase the volume setting on the audio source player in order to resume playback.

**Electrostatic Discharge hints**-The unit may reset or many not reset to normal operation mode due to electrostatic discharge, just switch if off and reconnect again.

## ADJUSTING VOLUME

Press the volume+/- volume-button to increase or decrease volume.

## HEADPHONE JACK

For private listening, connect a 3.5mm headphone (not included) to the HEADPHONE jack. The SPEAKER will be automatically disabled.

## HEADPHONE WARNINGS:

Set the volume of the device to minimum before using headphones. A volume that is set too high can lead to hearing impairment / damage over a long period of time. Therefore, to protect your hearing, use a comfortable room volume.

# USING THE CASSETTE

---

## UNDERSTANDING THE BUTTONS

**PLAY** - Press to play cassettes.

**REWIND** - From stop mode, press to rewind the tape toward the beginning.

**F.FWD** - From stop mode, press to advance the tape toward the end.

**STOP/EJ.** - Press to stop current tape activity or to open the cassette compartment door when no buttons are active.

**PAUSE** - Press to interrupt tape play mode. Press the second time to resume tape play mode.

## PLAYING A CASSETTE TAPE

1. Press the **⏻/FUNC.** button on unit to select TAPE mode.
2. Press STOP/EJ. Key to open the cassette compartment door.
3. Insert cassette tape into the compartment with the open edge facing up and the full reel on the right.
4. Close the door securely.
5. Press REWIND or F.FWD to move tape to the desired starting point.
6. Press PLAY key to begin playing the tape.
7. Adjust the volume to your desired listening level.

## AUTOMATIC STOP FEATURE

When the cassette deck is operating in play mode and the end of the tape is reached, the unit automatically shuts itself off and returns all buttons to the off position.

We hope you enjoy using the device.

Your UltraMedia team

# WARRANTY

Dear Customer,

Thank you for choosing one of our products. Our products undergo precise quality control in the course of production. If one of our devices gives you cause for complaint, or you have questions about one of our devices, please call our customer support.

We give a 36 month warranty on TV and SAT devices, and a 24 month warranty on portable DVD and audio devices from the date of purchase. Outside of the warranty, we offer you a paid repair based on a cost estimate. Please contact our customer support before submitting.

The warranty relates to material and production defects. Your device will be repaired or replaced during the warranty period. Unfortunately, UltraMedia cannot reimburse the purchase price. Damage caused by improper use, the use of third-party accessories, falls, dust, water damage and signs of wear (e.g. scratches, optical wear and tear) caused by the customer or external influences are excluded from the guarantee.

In order to assert the warranty claims, send the device with all accessories, a copy of the invoice and the description of the fault to the address given below. Devices that do not have a proof of purchase cannot be guaranteed. Please do not forget to include your full address and a telephone number / email address for any queries.

Shipping to us takes place at your own expense. Unpaid parcels cannot be accepted and are returned to the sender.

Please pack the device securely for transport. UltraMedia assumes no liability for damage in transit that occurs on the way to us. After receiving your submission, we will process your device as soon as possible and send it back to you.

Before sending your device in, please contact our customer support or your specialist dealer, as many problems can also be solved over the phone.
