

EPOCH 600 DDR-60BT

DAB+ / FM-RDS / Bluetooth / Aux-in
Digital Receiver

The Epoch 600 is a top-of-the line sound system. Use it in your living room or study and enjoy the great sound quality and reception that Sangean is known for. The FM-RDS and DAB+ radio can play from several sources like Bluetooth or Aux-in. Next to the great features it is possible to enjoy stereo sound with the added matt-black speaker. Time to decorate your home with music!

The solid cabinet has an elegant appearance and improves sound quality due to its acoustically tuned design and properties. Fine-tune the sound to your own preferences with the adjustable equalizer. The Epoch 600 is easy to manage because of the NFC technology, simply touch to pair! This device is equipped with an infrared remote control.
