

tesa® Professional 4401 Easy Cover® Precision Standard Paper

product information

Standard Precision masking tape with masking paper

tesa Easy Cover® 4401 is a combination of high quality folded special paper and tesa® 4344 Precision Mask® Standard for the masking of large areas in one working step. It is resistant against dispersion paints and allows easy removability up to 3 months after indoor application. Easy Cover® 4401 is successfully tested for all standard in-door applications such as skirting boards, window sills, window and door frames. It allows safe and precise fixation on smooth and slightly textured surfaces. The masking paper avoids paint bleeding or leaking to the protected area while the tape ensures a clean and precise painting result with flat paint edges. So with tesa® Easy Cover® 4401, you are well equipped to pave the way for outstanding painting work. In combination with your skilled craftsmanship, you will achieve results that will impress your customers.

Main Application

- Time-saving 2-in-1 covering solution for top professionals: covering large areas and accurate masking in one step
- Combination of masking paper and integrated tesa® precision crepe
- For flat and precise paint edges
- Applicable on smooth and slightly structured surfaces
- Ideal foundation for superb paint jobs indoors
- Easy to remove even after 3 months
