

Data Sheet

DB15 Male solder-free terminal block with screw

DB15 Male plug

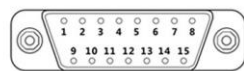

No. of row: 2

Number of pin: 15

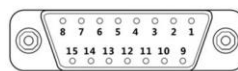

Hole OD: 10 mm

Max. cable OD: 10.45 mm

Data Sheet

DB15 Male plug (pin)

DB15 Female plug(hole)

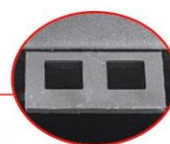

Product Features

- 1** New fasten design, more robust and not easy to broken

Easy to open and check
Reused many times

New fasten design

- 2** Manufactured by precision mold.
-Fashion appearance
-Excellent texture
-Same appearance as normal DB15 plug

- 3** Hole OD: 10mm
Max cable OD: 10.45mm
Suit for most DB9 cable in market

- 4** PCB made in high density copper double side circuit board which can effectively prevent signal interference.
This PCB board is strong and thick, can avoid damage by unexpected operation.
