IMPORTANT SAFETY INFORMATION

This section contains important information about safety, handling, disposal, recycling, and warranty.

Notice!

Read all safety information and operating instructions before using the product. Keep the user manual for future use

Thank you for choosing a product from OONO

READ THIS FIRST

This leaflet contains important information. Please read it carefully to make sure that you understand and get the best out of your CO-DRIVER traffic alarm.

This section contains important information about safety, handling, and operation.

Keep this leaflet for future use.

If you are just installing the device, this leaflet must be given to the CO-DRIVER owner.

Hazard warnings

Failure to follow these safety instructions could result in fire, electric shock, or other injury or damage to the device or other property.

Keep this device out of reach of children under 3 years.

Be aware that alarms can be missed if the batteries run out.

Do not use or store the product near any heat sources such as naked flames, radiators, ovens, or other devices that produce heat...

Do not use household cleaners, aerosol sprays, solvents, alcohol, ammonia, abrasives, or compressed air for cleaning.

Do not expose the device to moisture.

Use only battery types that are specified in this leaflet.

Do not dismantle the product; there is a risk of electric shock. Tampering with or dismantling the device will void warranty.

Only refer a damaged or faulty product to qualified service personnel.

INFORMATION ON PRODUCT SAFETY

Failure to follow these instructions could result in damage to the device and void the warranty.

Do not expose batteries to fire or to direct sunlight.

Do not drop your CO-DRIVER. Dropping onto a hard surface can damage it.

This device should not be used on aircrafts unless specifically permitted by flight personnel.

Do not use the device in areas where electronic equipment is prohibited.

If a serious incident occurs in relation to this device, contact the manufacturer and relevant authority.

If you encounter other problems with your device, contact the point of purchase, your local distributor, or the manufacturer. Visit www.oono.com for contact information

EU COMPLIANCE STATEMENT
