CAUTIONS:

- Read the entire manual carefully before installation and operation.
- Installation or replacement should be performed only by licensed and qualified electricians.
- DO NOT disassemble the inner part of the luminaire. Doing so may result in luminaire damage or malfunction.
- Switch OFF the power source before installation, replacement and cleaning! ⚠
- Wearing gloves during installation is recommended to ensure the luminaire is kept in the best condition.
- Before replacement of the lamp or luminaire, turn it off and allow it to cool down. Heat-resistant gloves are mandatory when handling the luminaire.
- The manufacturer accepts no liability for any damage resulting from the misuse of the luminaire or from when it is used with inappropriate equipment.
- Consult your dealer if you have any enquiries.

ATTENTION:

- Instant start is allowed.
- The luminaire may only be used with GX53 LED lamps!
- IP44 waterproof protection, designed for indoor applications.
- The operating temperature of the luminaire is -20°C to +40°C.

INSTALLATION (LM85630, LM85631)

1. Turn OFF the power.
2. Attach the fixture holder on the mirror.
3. Insert the 2 fastening plastic buttons in the back holes of the luminaire holder, in order to affix the luminaire on the back of the mirror.
4. Connect the cable to the terminal block.
5. Insert the lamp LM85480/LM85481 into the lamp holder.
6. Turn ON the power.

Correct disposal of this product:

This marking indicates that this product should not be disposed with other household wastes throughout the EU. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly, to promote the sustainable reuse of material resources. To return your device, please use the return and collection systems, or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.
