A great small TV for every place!

Besides its compact design the SRT 24HE4023 convinces with colour richness, excellent sound and numerous comfortable features. Thanks to the integrated HD triple tuner (DVB-C / DVB-T2 / DVB-S2), the TV is perfectly adapted to any reception situation and delivers the best possible TV picture depending on the type of reception. Watch TV on the go with the car adapter, you can easily connect your TV to the 12 V DC socket of your camping cars, caravans, and boats. An USB port for playback of files, a favourite list for storing channels in your preferred order and the booking of timers directly from the on-screen programme guide (EPG) are only a few among them. In an elegant design, the TV combines everything that makes television an experience for you and your family today.

- Power supply 12 V ideal for camping cars, caravans and boats (optional)
- Built-in DVB-T2/C/S2 tuner
- HEVC 265 10 bit
- USB port for playback of files
- Exceptional contrast and realistic pictures
- Image Quality Ratio 100
- CI slot for conditional access to Pay TV*
- Radiant colours and broad colour spectrum
- Favourite list for storing channels in your preferred order
- Electronic Programme Guide (EPG)
