Tool bag for working at heights

Empty

Large

- Tool organiser: keeps tools and accessories protected and organised when working at heights
- 11 steel D-rings: 8 for attaching tethered tools and 3 to attach the bag to your climbing equipment – also suitable for left-handers
- Holds a variety of items: divided main compartment, document/tablet compartment (A4/14") including pen holders and four side pockets
- Two external metal retaining clips for cordless power tools and 18 internal elastic loops
- Multifunctional lid: rolls away for easy access to tools and hook-and-loop patch for individual labelling
- Removable shoulder strap for comfortable transport (not to be used when at heights)
- Strong synthetic fibres, dirt and splash-proof due to rubber lining
- Plastic-reinforced base plate with five rubber feet
- To meet regulations while working at heights, for example industrial climbing, arborists, rescue services, at sea, etc.
- Volume approx. 17 litres, outer dimensions HxWxD approx. 470 x 250 x 150 mm, weight when empty approx. 1600 g
- Independently certified safety: reliably loadable up to 15 kg
- No PPE (personal protective equipment): not suitable for personal safety!

General	
Article No.	00 50 51 T LE
EAN	4003773089049
Weight	1,600 g
Dimensions	470 x 150 x 400 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

Technical details	
Dimension exterior (interior) width mm	250 mm
Dimension exterior (interior) height mm	150 mm
Dimension exterior (interior) depth mm	470 mm

technical change and errors excepted

Document/laptop compartment
