

Door-coupling rotary operating mechanism For circuit breaker Size S00...S3, black 330 mm shaft

|                       |                                          |
|-----------------------|------------------------------------------|
| product brand name    | SIRIUS                                   |
| product designation   | door-coupling rotary operating mechanism |
| design of the product | standard                                 |
| suitability for use   | Circuit breaker S00, S0, S2, S3          |

| General technical data                            |                 |
|---------------------------------------------------|-----------------|
| size of the circuit-breaker                       | S00, S0, S2, S3 |
| product feature can be locked into OFF position   | Yes             |
| certificate of suitability                        | CE / UL / CSA   |
| control version of the switch operating mechanism | long shaft      |

| Actuator                       |      |
|--------------------------------|------|
| product feature interlock      | Yes  |
| color of the actuating element | gray |

| Installation/ mounting/ dimensions |              |
|------------------------------------|--------------|
| mounting position                  | any          |
| fastening method                   | screw fixing |

| Approvals Certificates   |                           |                   |                   |
|--------------------------|---------------------------|-------------------|-------------------|
| General Product Approval | Declaration of Conformity | Test Certificates | Marine / Shipping |

### Further information

Siemens has decided to exit the Russian market (see here).

<https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business>

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
