# 3SU1851-0AG00-4NB1

	Enclosure for command devices, 22 mm, round, enclosure material metal, enclosure top part gray, 1 control point metal, A=Pushbutton yellow, 1 NO, spring-loaded terminal, floor mounting, silver label, black font, with graphic symbol: Error, M12 connector (5-pin) bottom, insulated reserve conductors Label glued in
product brand name	SIRIUS ACT
product designation	Enclosures
product type designation	3SU1
equipment of commanding and signaling device	A = Pushbutton
manufacturer's article number	
<ul> <li>of supplied contact module</li> </ul>	A1 = 3SU1400-2AA10-3BA0
<ul> <li>of supplied contact module at the command point A 1</li> </ul>	3SU1400-2AA10-3BA0
<ul> <li>of the supplied holder</li> </ul>	A = 3SU1550-0AA10-0AA0
<ul> <li>of the supplied holder at the command point A</li> </ul>	3SU1550-0AA10-0AA0
<ul> <li>of the supplied actuator</li> </ul>	A = 3SU1050-0AB30-0AA0
<ul> <li>of the supplied actuator at the command point A</li> </ul>	3SU1050-0AB30-0AA0
<ul> <li>of supplied empty enclosure</li> </ul>	3SU1851-0AA00-0AB1
Enclosure	
design of the housing	with recess for label
shape of the enclosure front	Square
material of the enclosure	metal
number of command points	1
product component	
EMERGENCY STOP device	No
protective collar	No
color of the enclosure top part	grey
delivery state	- 37
• as a kit	No
pre-wired on strip terminal	Yes
fastening method of the enclosure	Vertical
<b>9</b>	
Actuator	
<u>,                                      </u>	Pushbutton
design of the actuating element	
design of the actuating element suitability for use EMERGENCY OFF switch	No
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout	No No
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source	No No No
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element	No No No yellow
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element	No No No yellow metal
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element	No No No yellow metal round
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules	No No No yellow metal round
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device	No No No yellow metal round
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring	No No No yellow metal round 1 A = without
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring	No No No yellow metal round 1 A = without
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring	No No No yellow metal round 1 A = without  Yes Standard
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring	No No No yellow metal round 1 A = without  Yes Standard
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring Holder material of the holder Display	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver  Plastic
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function • positive opening	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver  Plastic
design of the actuating element suitability for use EMERGENCY OFF switch product feature lockout product extension optional light source color of the actuating element material of the actuating element shape of the actuating element number of contact modules type of unlocking device Front ring product component front ring design of the front ring material of the front ring color of the front ring Holder material of the holder Display number of LED modules General technical data product function	No No No yellow metal round 1 A = without  Yes Standard Metal, high gloss silver  Plastic

protection class IP	IP66, IP67, IP69(IP69K)
degree of protection NEMA rating	1, 2, 3, 3R, 4, 4X, 12, 13
shock resistance	
according to IEC 60068-2-27	sinusoidal half-wave 15g / 11 ms
vibration resistance	
according to IEC 60068-2-6	10 500 Hz: 5g
reference code according to IEC 81346-2	S
continuous current of the C characteristic MCB	10 A; for a short-circuit current smaller than 400 A
continuous current of the quick DIAZED fuse link	10 A
continuous current of the DIAZED fuse link gG	10 A
Substance Prohibitance (Date)	07/01/2006
operating voltage	
• at AC	
— at 50 Hz rated value	5 500 V
— at 60 Hz rated value	5 500 V
at DC rated value	5 500 V
cable entry type	M12 plug, 5-pole
Communication/ Protocol	
design of the interface for communication	without
Auxiliary circuit	
design of the contact of auxiliary contacts	Silver alloy
number of NC contacts for auxiliary contacts	0
number of NO contacts for auxiliary contacts	1
Connections/ Terminals	
type of electrical connection of modules and accessories	Spring-type terminal
type of electrical connection on enclosure	M12 connector, 5-pole
tightening torque of the screws in the bracket	1 1.2 N·m
tightening torque of fixing screws in the enclosure cover	1.5 1.7 N·m
Ambient conditions	
ambient temperature	
<ul> <li>during operation</li> </ul>	-25 +70 °C
during storage	-40 +80 °C
environmental category during operation according to IEC 60721	3M6, 3S2, 3B2, 3C3, 3K6 (with relative air humidity of 10 95%, no condensation in operation permitted for all devices behind front panel)
Installation/ mounting/ dimensions	
fastening method of modules and accessories	Floor mounting
height	89.4 mm
width	85 mm
depth	75 mm
shape of the installation opening	round
Accessories	
number of labels	1
color of the label	A = black
number of inscription plates	0
Certificates/ approvals	
Consul Braduct Annuava

#### Further information

Siemens has decided to exit the Russian market (see here).

https://press.siemens.com/global/en/pressrelease/siemens-wind-down-russian-business

Siemens is working on the renewal of the current EAC certificates.

Please contact your local Siemens office on the status of validity of the EAC certification if you intend to import or offer to supply these products to an EAC relevant market (other than the sanctioned EAEU member states Russia or Belarus).
