

Article datasheet NP-FIBER-TWEEZ

Article:	NetPeppers LWL-Pinzette
Art. No.:	NP-FIBER-TWEEZ
EAN:	4050075034307
Short text I:	NetPeppers fiber optic tweezers for picking up fiber debris for a clean and safe splice workstation
Gross weight (kg):	0.005
Length (m):	0.115
Width (m):	0.014
Height (m):	0.014

The NetPeppers fiber optic tweezers are used to handle optical fibers and fiber optic remnants during connector assembly or fusion splicing. The carbon fiber reinforced plastic enables damage-free gripping of the fibers. The precise manufacturing and black color facilitate the handling of fiber optic cuttings, for example, to dispose of them in the NetPeppers discard bin for fiber optic scraps. The tweezers are ESD safe. Made in Switzerland.
