

SPECIFICATION

Product Name	Mega Set
Item Code	CRMX
Length	16 metres - 5 Rod Flexibilities
Attachments	17 in total (see contents)

ABOUT

The Mega Set is without doubt the most comprehensive cable routing kit available on the market. 16 metres of overall rod length including all flexibilities and essential items from the Super-Flex and specialised rod ranges; this means very few places are inaccessible. The Mega Set enables examination, planning, preparation and installation of the fastest and most economical route - requiring less drilling, fixing and making good.

APPLICATION

- Route • Retrieve • Illuminate • Grip • Glow
- 5 Flexibilities
