# MA 31 LK PRO

A transparent earpiece and a spiral cable offer a snug and comfortable fit, even for several hours of continuous use and make the earpiece discreet and elegant even when monitoring a club, a theme park or coordinating a wedding.

No configuration is needed; just connect it to your radio and you can start communicating.

## COMPATIBILITY

The MA 31 LK PRO surveillance earpiece with microphone, PTT transmission button and 2-PIN Kenwood plug is the perfect match for all Midland radios that support this standard: G10 Pro, G11 Pro, G13, CT590 S, CT990.
