

Sticky Mats

-non ESD version-

Summary

- Adhesive strength: strong
- particularly high stability and adhesion
- robust single layers due to increased film thickness
- consistent adhesive strength with each layer and production batch
- layers/foils with decreasing index numbering

Thickness of the mat:	1.5 mm
Dimensions:	660 x 1140 mm
Number of layers:	30
Colour:	blue
Heat resistance:	60 °C/48h
Cold resistance:	-1 °C/48h

Order-no.: **C-222-981-B**
