

Cable-Clips, self-adhesive (50 pcs set)

No.: 23CA235...237

This self-adhesive cable holder with 3M adhesive surface is the simple and cost-effective solution for organizing and fixing cables and wires. The 3M adhesive used has a high adhesive strength and holds the holders firmly in place. These cable clips are versatile and fit a variety of cable sizes or types. The extensive 50-piece set offers plenty of content to neatly position cables, wires, hoses, fairy lights and more.

**Clean surface well before application. Smooth surface must be clean and dry - first test in an inconspicuous place.
Final strength after max. 24 h.**
