This series of plastic sorting and storage boxes is equipped with a diffuse-transparent lid that encloses the orange sorting compartments in the black sorting box body. Optimally suited for small parts and components, the sorting box is also ideal for mobile purposes. The clip closure ensures a secure hold of the lid during storage or transport.

Technical data: Material: Polyethylene • Temperature-range: -20°C ... 70°C • Color: Black, Orange, Diffuse-transparent.
