23SA100	Assortment case black with foam inserts 33 x 27.2 x 8.2 cm	33 x 27.2 x 8.2 cm	1	4260732285359

This series of compact, black plastic cases is equipped with foam inserts in the inner compartment to fix and protect the contents. The lid accommodates a dimpled foam, the underside flat foam in two parts to be able to act flexibly with the equipping height. Optimal for mobile - but also stationary purposes, the case is a safe storage medium for mechanically sensitive objects.

The case and the inserts are insulators, which excludes use in conjunction with ESD (conductive, dissipative) requirements!

**Technical data:** Material: Polyethylene (PE) • Temperature-range: -20°C ... 70°C • Color: Black (Case) / Black (Foam).
