# ZOTAC ZBOX

PICO PI430AJ WITH AIRJET (Barebone)

SKU: ZBOX-PI430AJ-GLB/BE

The ZBOX pico PI430AJ with AirJet is the world's first mini PC to incorporate Frore Systems' AirJet Solid State Active Cooling chip, which generates rapid airflow without fans. The more robust cooling hardware allows the PI430AJ to be equipped with more capable hardware such as an Intel Core i3 CPU, 8GB LPDDR5 fast memory, and a full-fledged M.2 NVMe SSD, all while impressively staying the size of a deck of playing cards.
KEY FEATURES

- Ultra-compact 0.21 liter size
- DP via USB Type-C
- 8-core 8-thread Intel Core i3 processor
- AirJet Solid State Active Cooling
- Whisper Quiet Fanless Operation
- Native 4K output, up to 3 displays
