Lightweight

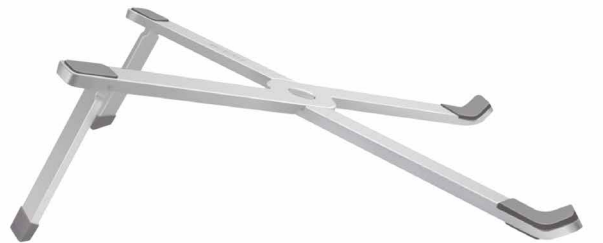

## Ergonomic Viewing Angles

Quickly and easily adjust to the desired height position. Helps to improve your posture during work.

## Sturdy & Stable

The aluminum alloy is strong and can safely hold your precious laptop/tablet. The non-slip rubber pads protect your device from scratching and sliding off.

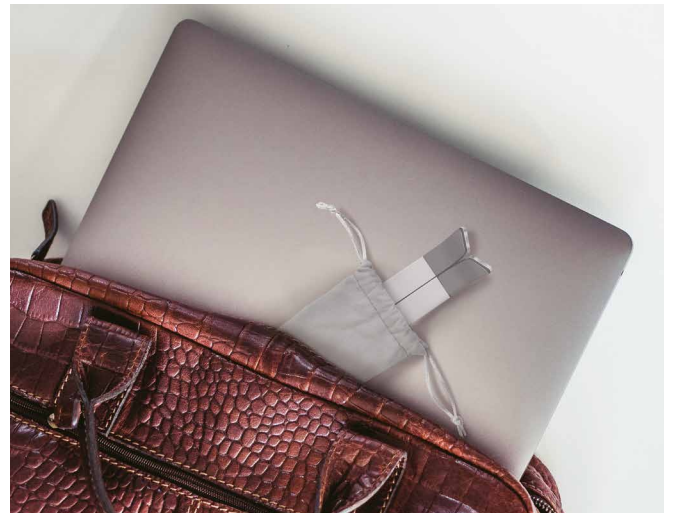

## Keeping Cool

Hollow design for heat dissipation and prevent overheating.

## Take it Anywhere

Foldable and portable design, easily fit into your laptop bag or backpack. The ideal travel accessory comes with a carrying bag.
