

# PRODUCT DATA SHEET

450006.67

End-sleeves uninsulated – 4500/6 Ms sn - 0.1 x 6

## Product Overview

|                  |                         |
|------------------|-------------------------|
| SKU              | 450006.67               |
| Part description | End-sleeves uninsulated |
| Part designation | 4500/6 Ms sn - 0.1 x 6  |

### Material

|           |                 |
|-----------|-----------------|
| Component | Brass           |
| Surface   | pure tin-plated |

### Technical Details

|                         |                                          |
|-------------------------|------------------------------------------|
| Net weight kg/1000      | 0.029                                    |
| Conductor cross-section | 0.10 – 0.30mm <sup>2</sup> / AWG 26 – 24 |

### Dimensions

|         |      |
|---------|------|
| D1 [mm] | 0.70 |
| D2 [mm] | 1.80 |
| L1 [mm] | 6.00 |
| S1 [mm] | 0.20 |
