

Cable-Clips, self-adhesive (100 pcs set)

No.: T24CA019...021

This self-adhesive cable holder with 3M adhesive surface is the simple and cost-effective solution for organizing and fixing cables and wires. The 3M adhesive used has a high adhesive strength and holds the holders firmly in place. These cable clips are versatile and fit a variety of cable sizes or types. The extensive 100-piece set offers plenty of content to neatly position cables, wires, hoses, fairy lights and more.

Clean surface well before application. Smooth surface must be clean and dry - first test in an inconspicuous place. Final strength after max. 24 h.
