

## Cable Management Basket Set

Part-No.: T24CA022

Dimensions

Fixing option / Mounting clamps

This cable management solution is as simple as it is ingenious - the sturdy basket allows socket strips, power supply units, cables or connectors to be attached directly under the edge of the desk. There is no need for drilling or gluing - the fixing-device is very stable and can be moved or removed at any time. The sturdy steel construction comes in an unobtrusive black color, making it the ideal solution for offices/desks, computer rooms, music studios and many other applications. The mounting clamps can also be rotated by 180° for flexible applications.

To get you started right away, 100 black plastic cable ties (15 cm long) and ten black Hook-and-Loop cable ties (15 cm long) and fastening tools are included as useful accessories.

**Technical data:** Material: Steel • Dimensions (L x W x H): 405 mm x 130 mm x 160 mm • Mounting type: Table • Table top thickness: 10 mm ... 40 mm • Color: Black • Clamping range (min.): 10 mm • Clamping range (max.): 40 mm • Product type: Table top mounting set • Weight: approx. 700 g • Mfg. Part No.: T24CA022.
