# M2-HAT ALUCASE
for Raspberry Pi 5

This high-quality black aluminum case for the Raspberry Pi 5 combines protection, design and optimal cooling. It offers space for the original Raspberry M2 HAT and is equipped with a large heat sink, two quiet PWM-controlled fans and sophisticated air routing. This ensures efficient heat dissipation and stable performance even under high loads. The robust, anodized aluminium gives the case an elegant look, while precise cut-outs and easy assembly make it the perfect choice for demanding projects. Perfect for anyone who wants to combine functionality and style.

MAIN FEATURES

Special functions	Case for Raspberry Pi in combination with the original M.2 hat
	Active cooling
	Integrated air routing for optimum cooling of components
Compatible with	Raspberry Pi 5
Cooling	Active cooling through dual PWM fans with 25 mm each
Material	Aluminum
Color	Black

FURTHER INFORMATION

Scope of delivery	Case, dual PWM fan, air duct, heat sink, spacer, mounting material
Dimensions	108 x 61 x 34 mm
Weight	164 g
Item number	RB-AlucaseP5-M2
EAN	4250236828848
Customs tariff number	84733080
