

Ball Valve lockout

Overview

Item No. 3436336	Item No. 3436337	Item No. 3436338
		

Features

- Adjustable pipe diameters
- Adjustable ball valve
- With locking holes
- Thermoplastic helps resist corrosion and UV exposure
- High temperature resistance
- Accommodates ball valves ranging from DN8 to DN50

Technical data

Item no.	Dimensions (mm)			Weight (g)	Material	Locking hole
	A (adjustable)	B (inner / outer)	C (inner / outer)			
3436336	26 - 104	40 / 78	62 / 89	138	Engineering plastic reinforced Nylon PA	4
3436337	25 - 147	65 / 98	70 / 96	151	Engineering plastic reinforced Nylon PA	4
3436338	55 - 276	97 / 110	150 / 188	496	Engineering plastic reinforced Nylon PA	6
