

Double Layer Self Closing Wrap (bulk stock) Black

This high-performance fabric protection sleeve is perfect for protecting wires, cables and hoses from environmental influences! Due to the tightly woven and double-walled PET structure, the protection against mechanical stress and abrasion is very high. The material is self-extinguishing.

To prevent fraying, the sleeve should be cut with a hot cutting tool!

Technical data: Material: polyester braid • Temperature range: -40 ... 150 °C • Wall thickness 1.8 ± 0.2 mm • Color: black • Impact Resistance conform to Standard LV312, Class E ≥ 50J • RoHS & REACH compliant • Flammability self-extinguishing.
