

VM483

2.8" Video Baby Monitor

Two-Way Talk

Digital zoom

Infrared night vision

Room temperature monitoring

See and hear your baby from anywhere

The Motorola VM483 is a simple video baby monitor with everything you need. Get a clear view of your little one on the 2.8" display screen. Use the digital zoom to zoom in on baby to get a better view. Always hear what's going on in the nursery with two-way talk, and speak to your baby, without having to be in the room. Monitor the nursery's room temperature, so you can always be sure your little one is comfortable. Always stay connected to what matters most.
