

# Product Specification PDF

|                   |                             |
|-------------------|-----------------------------|
| Date              | Correct as of 14th Jan 2025 |
| Brand             | C.K Tools                   |
| Product           | T3110A 10150                |
| Description       | Masonry Drill Bit 10x150mm  |
| Barcode           | 5013969250572               |
| Commodity code    | 8207503000                  |
| Country of origin | CN                          |

|                     |                                                                                                                                                                                                                            |
|---------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Features & Benefits | Special design Tungsten carbide tip for reduced bit walk and faster drilling~ Vacuum brazed tips for increased durability~ Ground fluted design for precision and optimum debris removal~ PGM certified guaranteed quality |
| Health & Safety     | Users and bystanders are advised to wear safety goggles                                                                                                                                                                    |
| Warranty            | C.K products are guaranteed for 1year against imperfect materials or workmanship. Damage caused through normal wear and tear or resulting from inappropriate use, is not covered.                                          |
