ITEM CODE: ACHIPH2USBPD20SMLW  
**DUAL CHARGER with Power Delivery 20W**

**Features:**

- USB-C port: 20W
- USB port: 18W
- Total output when used both ports simultaneously: 15W
- Automatic adaptor for power sources between 110V/240V
- Charge optimization to protect the battery;
- Protection circuit against overloads and short circuit.

**Compatibility:**  
APPLE

**DESCRIPTION:**

**DUAL CHARGER** it charges 2 Apple devices at the same time:

- Use the USB-C port to optimally charge all iPhones and iPads with USB-C 20W charging technology
- Use the USB port to charge another device or Apple accessory in total safety.

When you use both ports, the maximum power supplied by the battery charger is set at a total of 15W.

Thanks to the extremely compact packaging, it is possible to preside over touchpoints other than the telephone counter, in cross-selling logic.
