

AM5 Short Backplate

High Performance Cooling Solutions

Thermal Grizzly advertises with the slogan „High Performance Cooling Solutions“ and, in cooperation with mechatronics engineer and OC legend Roman „der8auer“ Hartung, has once again substantiated this claim.

With a series of products for AMD's brand new AM5 platform, we are responding to requests from the overclocking scene, the so-called „tech-tubers“ on YouTube and our partners in the industry. This includes, among other things, the AM5 Short Backplate.

Optionale Backplate für AM5-Mainboards

The AM5 Short Backplate increases compatibility with existing CPU coolers and replaces the AM5 Stock Backplate. Depending on the mounting system of the CPU cooler, it may be necessary to use a mounting plate from the manufacturer. This is mainly the case with cheaper air coolers and with the majority of AIO coolers. In most cases, the AM5 backplate had to be removed for this.

However, since the pre-mounted backplate on AM5 motherboards is not only used for mounting CPU coolers, but also for fixing the Socket Actuation Mechanism (SAM), it cannot simply be left out.

With the AM5 Short Backplate, the SAM is attached to a shortened mounting plate that leaves the holes for the retention frame screws free for cooler mounting.

Short Information

- Compatible with AM5 motherboards
- Increased compatibility with CPU coolers
- Easy mounting
- Anodised aluminium with insulation layer

Scope of Delivery

- AM5 Short Backplate
- angle wrench Torx 3,8 mm

Trademark Information

Thermal Grizzly is a registered trademark.

Technical data

Unit:	Value/Description:
Material:	Anodized aluminum
Colour:	black
Typical application:	Backplate for cooler installation
Length:	68 mm
Width:	65 mm
Height:	3 mm
Package size:	17.5x10x0.5 cm
*Gross weight:	50g
*Net weight:	30 g
Item number:	TG-SB-R7000-R
EAN-Code:	4260711990670
PU:	50 Pcs.

*Net weight is the total weight of an article excluding the weight of packaging and accessories.
The gross weight refers to the total weight of the product including accessories and packaging.
Slight weight deviations.
