

BU-164-@

(Banana Socket, Unshrouded, Angled, Panel Mount)

- The BU-164-@ is a 4mm banana socket that is made for panel or PCB mounting. The connector allows the mating of unshrouded banana plugs.
- Material:
 - Body: Brass with silver plating
 - Cover: PA (Nylon)
- Rating:
 - Voltage: 30VAC – 60VDC
 - Current: 24A
 - Insulating Resistance: $\geq 500\text{M}\Omega$
 - Contact Resistance: $\leq 0.005\Omega$
- Color: The “@” in the model number indicates color.
Available colors are: -0 Black, -2 Red
- RoHS 3 Compliant.
