

SOUNDGEAR CLIPS

True wireless open-ear headphones

Hear Everything in Style.

JBL Soundgear Clips open-ear headphones not only deliver great JBL sound, they also don't block out the sounds happening around you. Their all-day comfort and stability stand out, just like their on-trend looks in fashionable colorways with premium translucent finishes. JBL OpenSound Technology with Air Conduction and the SonicArc design for minimal sound leakage and enhanced bass performance mean the low end always sounds full and punchy without distortion, to your ears only. Plus, the four voice mics technology and our proprietary AI-trained algorithm for noise reduction make sure you'll always sound great, even on a blustery day. And if a little drop comes along, JBL Soundgear Clips boasts an IP54 rating. Use the JBL Headphones app to personalize how your calls sound. JBL Soundgear Clips are a wearable icon in the making.

Features

- ▶ JBL OpenSound technology
- ▶ Dynamic sound with bass boost
- ▶ All-day comfort
- ▶ 4-mic crisp, clear calls 2.0 with AI-trained Algorithm
- ▶ Up to 32 hours total playtime, plus speed charge
- ▶ Multi-point connection with Fast Pair
- ▶ IP54 water and dust resistant
- ▶ JBL Headphones app

SOUNDGEAR CLIPS

True wireless open-ear headphones

Features and Benefits

JBL OpenSound technology

The speaker in your JBL Soundgear Clips is precisely angled for minimal sound leakage. Plus, the JBL Soundgear Clips boasts SonicArc design, for extra bass performance and privacy, so that the only person who can hear your music and calls is you. And because it doesn't obstruct your ear canals, you'll have full situational awareness of everything around you while staying socially connected all day long.

Dynamic sound with bass boost

An 11mm dynamic driver with our Adaptive Bass Boost algorithm delivers smooth, rich sound with powerful bass, so they sound as good as they look.

All-day comfort

Soft, flexible and lightweight material covers a flexible memory wire hook, which means you'll wear these all day, every day, without a hint of discomfort. They're also precisely engineered with the optimal clipping strength to stay comfortable and stable on your ear without pinching or feeling too loose.

4-mic crisp, clear calls 2.0 with AI-trained Algorithm

Use the JBL Headphones app to choose between using one or both of the beamforming mics in each earbud. (It'll depend on how you wear them on your ear: experiment and see what works for you.) In either case, the JBL Soundgear Clips boast an AI-trained algorithm that reduces environmental noise so you'll always sound clear, even if you're talking outside on a breezy day.

Up to 32 hours total playtime, plus speed charge

Enjoy up to 8 hours of music in the headphones, plus up to three more full charges in the case before you need to plug them in again. And if that's not enough, 10 minutes via any USB-C cable* gets you three more hours.

*Charging cable not included

Multi-point connection with Fast Pair

JBL Soundgear Clips headphones come enabled with Fast Pair by Google, so they immediately pair with your Android devices with a single tap. Pair your earbuds with two Bluetooth® devices and then switch effortlessly from one to the other.

IP54 water and dust resistant

Don't let a little drop kill your vibe. JBL Soundgear Clips headphones have an IP54 rating, meaning they're resistant to both rain and dust.

JBL Headphones app

Use the JBL Headphones app on your device to tweak your sound and customize the headphones' gestures according to your needs. Choose from six EQ presets or a fully customizable 10-band equalizer to adjust highs, mids, and lows—so your music is just right for you.

Technical Specifications

- ▶ Driver size: 11 mm / 0.43" Dynamic Driver
- ▶ Power supply: 5 V $\pm$ 1 A
- ▶ Maximum operation temperature: 45 °C
- ▶ IP Rating (Earbuds): IP54
- ▶ Frequency response: 20 Hz - 20 kHz
- ▶ Impedance: 32 ohm
- ▶ Sensitivity: 85 dB SPL@1 kHz
- ▶ Maximum SPL: 88 dB
- ▶ Microphone sensitivity: -38 dBV/Pa@1 kHz
- ▶ Bluetooth version: 5.4
- ▶ Bluetooth profile version: A2DP V1.4, AVRCP V1.6.3, HFP V1.8
- ▶ Bluetooth transmitter frequency range: 2.4 GHz – 2.4835 GHz
- ▶ Bluetooth transmitter power: < 14 dBm (EIRP)
- ▶ Bluetooth transmitter modulation: GFSK, π /4-QPSK, 8DPSK
- ▶ Earbud: 6.5 g per pc (13 g combined) / 0.014 lbs per pc (0.028 lbs combined)
- ▶ Charging case: 39.7 g / 0.088 lbs
- ▶ Earbud battery type: Lithium-ion battery (55 mAh / 3.85 V)
- ▶ Charging case battery type: Lithium-ion battery (530 mAh / 3.8 V)
- ▶ Charging time: 2 hrs from empty
- ▶ Music playtime with BT on: Up to 8 hrs
- ▶ Talk time: Up to 4 hrs

What's in the Box

- 1 x JBL Soundgear Clips earbuds
- 1 x Charging case
- 1 x Warranty / Warning
- 1 x product QSG/ Safety Sheet
