

Hook-and-Loop Tape Roll with Self-Adhesive Back

These self-adhesive hook and loop tapes are ideal for fixing tasks on suitable surfaces. The tape can be shortened individually with scissors. The reliable 3M adhesive surface ensures a stable hold and a long service life. It is important that the surfaces are smooth and clean so that the adhesive film can develop its full holding power.

Basic strength is achieved shortly after application - final strength is achieved after a maximum of 24 hours. The black or white design can be unrestricted and inconspicuous in many usages.

Technical data: Material: Polyamide • Temperature range: -20 ... 85 °C • Melting temperature: >250 °C
Color: Black, White • RoHS compliant, REACH compliant • Content: 50 m Hook-tape & 50 m Loop-tape.

Part-No.	Description	Length	Width	Color	EAN/GTIN
EG25CA134	Hook-and-loop adhesive tape 50 m x 2 cm Black on Roll	50 m	2 cm	Black	4262511624311
EG25CA135	Hook-and-loop adhesive tape 50 m x 3 cm Black on Roll	50 m	3 cm	Black	4262511624328
