

Slit Cable Cover (3 m) Black, White

This cable bundling and protective slit-cover is the ideal, cost-effective solution for wrapping and bundling cables and wires. This PE tubing can also be used as abrasion protection and to prevent animal bites.

The durable polyethylene sheath snugly fits around the cables, wires or hoses, keeping them together, protected, and clean. A plastic threading aid is included, making it very easy to use.

Technical data: Material: Polyethylene • Temperature range: -20 ... 110 °C • Color: Black, White • RoHS compliant, REACH compliant, halogen free • Diameter: 8 ... 36 mm • Length: 3 m.
