

Protective hose with zipper (1 m) Black

This protective sleeve is characterized by its extremely simple and well-designed application, as it can be easily installed, closed, reopened, or used for other purposes thanks to its zipper. Made of high-purity polyester, this sleeve is resistant to external influences and keeps cables tidy. This protective mesh combines simplicity, utility, and reusability in the best possible way.

Technical data: Material: Polyester • Temperature range: -30 ... 120 °C • Color: Black • RoHS compliant, REACH compliant, halogen free • Diameter: 8 ... 36 mm • Length: 1 m.
