

# NAP-PAK AIR PILLOW

CODE: AIR075-OG

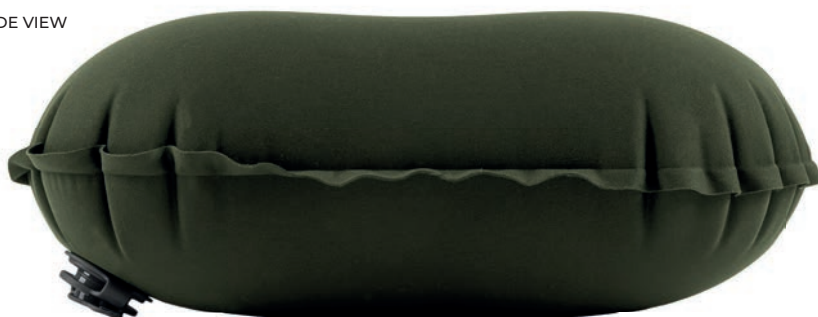

**Rest your head after a long trek and get a great night's sleep with the Highlander Air-Pillow.** This small packed-volume pillow is durable, constructed of ripstop nylon, and ultralight (100g) without compromising comfort and warmth by using air cell baffles to provide a more even dispersion of pressure across the pillow for a comfortable nights sleep.

- Easy to inflate and deflate to fine-tune for personalised comfort
- Dual layer valve, Layer 1. One-way (air in) Layer 2. Deflate
- Ultralight at only 100g and very compact
- Rolls and packs away into stuff sack (included)
- Sponge Clean Only

**Dimensions:** 42cm x 28cm x 11cm  
**Pack size:** 13cm x 7cm x 7cm  
**Weight:** 100g • Thickness: 11cm

**Material:** 100% Polyester Peach fabric with TPU,  
 Valve: TPU
